ADVENT OFFERINGS

During Advent, we will be collecting two special offerings.

The first is for elderly clergy who served in the REC years ago before there was a pension fund. The offering benefits them and their families.

The second is for four mission projects in the REC.

- 1) To send Fr. Robert Gresser to teach during the Spring of 2019 at the Anglican Theological College in northern Malawi
- 2) For a printing and publishing center for the REC in Cuba
- 3) To support Fr. Marc Jankowski in his ministry in northwestern Germany
- 4) To help with the purchase of a building for the parish of Christ the King in Croatia.

You can learn more about both of these offerings from the brochures available at church this Sunday. The goal for each offering is \$500.
